

Why walk when you can Whoosh?

On 17th February 2020, Whoosh services will launch at UWA. Whoosh makes getting around, between and off our UWA campuses even easier and more enjoyable.

At six mobility hubs you can hire e-bikes, bikes and car share vehicles to get where you need to go.

Look out for these hubs on Crawley campus in the north, west, east and south, and at QEII and Nedlands.

e-bike and bike rides will be free from 17th – 28th February so to find out more visit Whoosh at the O-Day Festival on 21st February, or gowhoosh.com.au.
